To Whom It May Concern

I am pleased to acknowledge that the Herbert H. Carnegie Future Aces Foundation has had the privilege of working with **Joy Foster** on several major projects.

Joy brings with her a wealth of experience in working with the community. She has a passion for life and a vision to find innovative ways that will help empower youth and adults to discover avenues that encourage self-confidence and open doors of opportunity.

Joy shares our vision of changing lives by inspiring youth and adults to become the best they can be as *responsible, respectful, peaceful, confident and caring citizens*. Our Foundation prides itself on calling on individuals like Joy Foster to help us affect positive change through participation in our many initiatives and events.

Joy shared her vibrant spirit and sense of community at our 2009 *Amazing Aces Gala*. Her ability to draw in the audience with her incredible voice left everyone feeling both moved and exhilarated.

Joy has a willingness to give back to society and is always ready to give her all by supporting projects that enrich lives. We were pleased to be the recipient of her generosity when she facilitated workshops on numerous occasions at our youth symposium and leadership conference. She is a person you can count on to be there when you need her, bringing with her a zest for life, high energy and a positive attitude.

Our Board of Directors and the Future ACES Education Team value her contribution to our initiatives and watches with excitement as she touches the lives of so many with her special talents and innate gifts.

Sincerely,

Bernice Carnegie
