Disclaimer:

Kimberlite Enterprises has successfully delivered workshops and seminars through the GTA with remarkable results!

- The information given by Kimberlite Enterprises to their clients attending the workshops is instructional only, and must be implemented to obtain the desired result. We strongly recommend that our clients actively participate in the workshops and take notes.
- Kimberlite Enterprises advises that change does not occur overnight and that the learning should not stop after the workshops. Additional workshops may be arranged to evaluate progress or to address any questions that you may occur.
- Kimberlite Enterprises does not assume any responsibility for the use of any information derived from these workshops by third party users.

Program one:

TAKING YOUR DREAM TO REALITY

- You will be guided how to develop your dreams with belief towards positive outcomes.
- Learning how to approach your dreams with passion and goal setting.
- Networking and its importance in achieving your dreams.

CHALLENGING YOURSELF ALWAYS

- Embracing challenges and developing the opportunities
- Staying flexible when setting intermediate and long-term goals
- Ownership and your daily goals

GETTING OUT OF THE BOAT

- Understanding change requires something to change
- Fighting complacency and striving to be the best you can be.
- Daily consistencies required to achieve long term goals.

Program Two

MENTAL TOUGHNESS ** THIS IS A SPECIAL TOPIC OF MINE **

- Maintaining mental toughness to achieve your goal while being flexible enough to reassess opportunities as they present themselves.
- Association and the development of a positive mindset.
- Practicing outside extra curriculums and its values.

THE IMPORTANCE OF HARD WORK ETHICS

- Patience and Consistency
- Developing a Successful Image
- Keeping focus on your craft while implementing balance.

COMPARING IS UNACCEPTABLE

- Learning how comparing will deter you mentally and physically
- What do you see when you stand before a mirror?
- Forgiving yourself or past events that are holding our back from achieving greatness.

Program Three

HANGING IN WHEN TIMES GET *REALLY* TOUGH!

- Introducing the power and effective application of SELF TALK
- The value of mentorship and various association's
- Changing perspective when assessing challenges

ATTITUDE IS THE KEY

- You are what you say
- Being accountable to each step you say verbal and written
- How do you attain that attitude throughout your journey?

VISUALIZATION ** *ANOTHER ONE OF MY FAVORITES* **

- Do you see yourself successful now?
- How do see visualize yourself in 10 to 20 years.
- How do you visualize a dream?

Program Four

KEEPING IT REAL FOLKS

- Losing the package
- Speaking it into existence
- Setting yourself up for success

BELIEVING ** *THIS IS MY ABSOLUTE AND MOST POWERFUL TEACHING* **

- Knowing you are born for greatness and allowing no apology
- Learning the power of talking your dream in existence
- Surrounding yourself with positive quotes

Program Five

LISTENING

- Barriers
- Accessing the information
- Determining plan of action

DON'T BE SO SERIOUS – HAVE SOME FUN DURING YOUR JOURNEY

- Learning how to do things that make you feel happy
- Discovering the magic of business and humor
- Surround yourself with things that you love
