

# The Skies The Limit

Program Information

## THE SKIES THE LIMIT

Time: 1.5 Hour Presentation

It's time that all students within High School and Post-Secondary understands how powerful in believing in their own dreams and what they can accomplish as winners. Not proving but not only to themselves, by taking the *bull by the horn* and confirming what they are truly born to accomplish.

Within these motivating and empowering presentations, students will develop the strength to move towards those mountains that seems so high but yet is so *small climbing it victoriously* all the way!

### THE SKIES THE LIMIT WILL TEACH.....

1. Awaking the GIANT that you were born to be.
2. Not comparing yourself with others and developing a positive attitude.
3. Associating with positive friends duplicating successful habits.
4. Completing assignments and understanding its rewards on your journey.

### Objectives:

My goal within this presentation is to have the students attending realize the power on how believing in themselves is critical to every task they complete! Understanding the greatest gift they have and allowing NO ONE to put them down. Holding their heads high and addressing any obstacle that comes their way

*Know yourself, and then create yourself!*
